Visual, Audio, Creative Content Professionals Association (Singapore)

The Visual, Audio, Creative Content Professionals Association (Singapore), was formed in July 2021 to represent visual, audio, production, and creative content professionals and advance VICPA members' professional interests and work prospects. VICPA also provides guidance on fair standards and good practices as well as resources, work advisory, and business networking to safeguard and support the careers of freelance and self-employed creative professionals.

In supporting VICPA members with skills deepening programmes such as the courses offer by Genetic Computer School, VICPA members enjoy lower course fees through the Union Training Assistance Programme (UTAP) which provides 50% subsidy of the balance unfunded course fee, up to \$250 per calendar year. Between 1 July 2020 to 31 December 2025, VICPA members aged 40 years and above will enjoy higher funding support up to \$500 per calendar year, capped at 50% of unfunded course fee.
